

THE FUTURE IS ON[®]

LEVITON[®]

Home Inspiration Guide

Home is your sanctuary

Your home is much more than a place to live. It is an expression of who you are and the type of life you lead... a reflection of your personality and style. It is a place where you seek refuge; share special moments with family and friends; study, work, and play.

For over 110 years, Leviton has been the leading innovator and provider of residential electrical products. Quality, reliability and dedication to delivering the latest in electrical safety technology has made Leviton a household name.

We invite you to browse through our offerings to discover ways you can enhance your living environment. Whether it be to make it safer, smarter or more convenient, we have the solutions that transform a house into a home.

Feel free to mix and match devices and color options. The possibilities are endless!

Color Options

Note: not all models come in all colors

KITCHEN

The heart and soul of the home

Whether you have a spacious eat-in kitchen or a small efficiency kitchen, it serves as a place for so much more than simply preparing food. It's a gathering place, a makeshift workplace and, of course, where meals are shared.

A well-equipped kitchen is ready for any task, especially when outfitted with devices that add safety, convenience, comfort and ambiance to daily living.

GARAGE

More than a place to put your car

What's in your garage? Is it a storage space for indoor and outdoor supplies – and even appliances - that simply don't seem to fit anywhere else? Is it a workshop for automotive, woodworking or other equipment intensive projects? Even if yours simply houses the family car, make sure it's updated with the latest electrical options for safety and easy, reliable monitoring.
